

New York State Cancer Registry Research Publications: Cancer Registry Staff and External Collaborations

Journal publications included in this list were authored or co-authored by New York State Cancer Registry (NYSCR) researchers. All studies utilized data from the New York State Cancer Registry. The publication list is divided by two sections: (1) first author affiliated with the NYSCR, and (2) first author external to the NYSCR. Each section is further divided by year of publication from 2020 to present.

Publications led by NYSCR staff
