

New York Better Breathing Study (NYBBS)

What is the study about?

The study researchers are asking people with a recent diagnosis of lung cancer to join the study. The goal is to reduce shortness of breath and fatigue in patients with lung cancer.

Who is eligible to participate?

Non-Hispanic Black and non-Hispanic White adults, ages 18 or older, who live in New York State and were recently diagnosed with non-metastatic lung cancer. Must have completed all cancer treatments.

Partner institutions:

Roswell Park Cancer Institute

More Information:

If you have questions about the New York State Cancer Registry, please call us at (518) 474-2255. For questions about the research, please call the study team at the Roswell Park Cancer Institute at (716) 845-1300 ext. 4335.
