

POW-R Health: Power to Redefine Your Health

What is the study about?

Study researchers are asking people with early-stage bladder cancer to join the study. The goal is to learn how diet might help lower the risk of the cancer returning.

Who is eligible to participate?

Adults ages 18 or older who live in New York State with recently diagnosed early-stage bladder cancer.

Partner institutions:

Roswell Park Comprehensive Cancer Center

More Information:

If you have questions about the New York State Cancer Registry, please call us at (518) 474-2255. For questions about the research, please call the study team at the Roswell Park Cancer Institute at (716) 845-1300 ext. 7221.
